

## ABOUT RIVER BREEZE PARK

The unspoiled beauty of River Breeze Park offers visitors a glimpse back into the early, unhurried days of Florida's history. Situated on the historic and fabled Indian River, the park is 37 acres with five acres directly on the river. The surrounding waters were once an abundant food source for the early Native American tribes, as evidenced by the shell middens (mounds of oyster and clam shells) near the campgrounds. After Florida's settlement, the fertile shores became a thriving citrus grove known to produce some of the best citrus products in the world.

Today, River Breeze Park offers a panoramic view of nature's splendor and provides an excellent vantage point for bird watching. Reward yourself with an excursion into a scenic balance between people and nature. Bring your picnic lunch, fishing rod and camera. It will be quality time well spent for the entire family.

## WELCOME!

*To retain the natural beauty of the park, the number of posted rules and regulations signs has been reduced. Please follow the rules listed below. Your cooperation will assist in protecting and maintaining the park. Thank you.*

- The park is open 24 hours a day.
- Please refrain from using profanity or other destructive behavior.
- Glass containers are not permitted.
- Open fires and fireworks are not permitted.
- Fires are permitted in grills.
- Please deposit all refuse in litter receptacles throughout the park. Separate recycling receptacles are available for your convenience.
- Pets must be leashed at all times and are not to be left unattended. Owners are responsible for cleaning up after their animals (County Code Chapter 14). Animal waste bags are available. Proof of rabies vaccination is required (tag). Pets are not permitted in the water or within 50 feet of the shoreline where possible.
- Vehicles are permitted on the asphalt, shell roadways and parking lots.
- The speed limit within the park is 15 mph.
- All bicycles should be parked and secured in a designated bike rack.
- Please stay on sidewalks and designated trails.
- Please do not remove plants, feed the animals or disturb the wildlife.
- Parents must supervise their children at all times.
- Jumping, diving and climbing are prohibited on the boardwalks and fishing dock.
- Fishing is allowed from the fishing dock only. All saltwater fishing regulations apply. All shoreline areas are environmentally protected.
- All fishing debris must be disposed of properly.
